WASL is Now the HSPE for High School Students

It's that time of year again when all Bremerton High School Sophomores and some Juniors and Seniors will sit for our state assessment. The test that we used to know as the WASL, is now called the High School Proficiency Exam (HSPE) and there are some changes that students will like.

The test has been shortened and the four point essay questions have been eliminated on reading, math, and science tests. The HSPE will include multiple choice and short answer questions.

The test dates are March 16, 17, & 18 for Reading & Writing and April 13 & 15 for Math and Science. The major difference for our students on these testing dates is that ALL STUDENTS will attend regularly scheduled classes. The test will be given in the gym so that all other students can attend their classes.

Attendance is critical for these exams as this is a graduation requirement! Parents are encouraged to ensure that your student eats a healthy breakfast and is well rested!
