

## Changes to the Bremerton School District Grab-n-Go Meal program (effective 3/30/2020)

The Bremerton School District is committed to providing meals to all children in Bremerton throughout the school closure. However, we are making some changes to our Grab-n-Go meal programs to support the social distancing of staff, students, parents, and volunteers in accordance with guidance and directives from federal, state, and local authorities.

**Beginning Monday, March 30:**

### 1) We will be distributing meals on **Monday** and **Wednesday** only.

- Students will still receive 5 breakfasts and 5 lunches per week as they will get 2 days of meals on Monday, and 3 days of meals on Wednesday.
- Families may want to bring bags, boxes or their wagons to carry food home since students will be getting multiple meals.

### 2) Meals will only be available for pick-up at the following schools:

- Bremerton High School
- Armin Jahr Elementary
- West Hills STEM Academy

### 3) Some bus routes will be combined to minimize the number of bus drivers needed for delivery.

- No bus stops have been eliminated, but bus stop times may have changed!

**Families can visit any of these locations (or any bus stop!) to pick up meals. No income requirements. All locations open to all children age 18 and under, or BSD-enrolled students up to age 21.**

### How to look up the bus stop closest to you:

1. Visit [www.BremertonSchools.org/meals](http://www.BremertonSchools.org/meals)
2. Click on "Click here" - this is going to open up a different website called "Info Finder"
3. Enter your home address
4. **Look for the ELEMENTARY bus stop(s) listed - this is the nearest stop for you!**
  - a. Ignore the time
  - b. Ignore any MVMS or BHS stop listed

**To look up the nearest bus stop!**  
(Note: Times shown in this program are for regular school days. See meal delivery bus schedules below).

### Resources:

- [www.BremertonSchools.org/Meals](http://www.BremertonSchools.org/Meals) - this webpage includes information about our Grab-n-Go meal program (including all bus routes and a link to help you find your nearest bus stop!).
