

BREMERTON SCHOOL DISTRICT Final Research Report Format

The final research report should be written using the following format. General space recommendations are included for each element. APA (American Psychological Association) format should be followed.

1. **Name and affiliations of Investigator(s)**
2. **Title of project**
3. **Statement of the problem** (one page)
4. **Research hypotheses, questions, or objectives** (1/2 page)
5. **Methods** (two pages), including:
 - a. Population and sample
 - b. Design and procedures
6. **Results** (three pages)
 - data reduction and analysis methods
 - results
7. **Discussion and implications** (three pages)
8. **Tables and figures**, as necessary
9. **References**

All research conducted in the Bremerton School District requires a final written report to the BSD Superintendent using the format listed above.

I, the undersigned, agree to have a written report delivered to the Bremerton School District Superintendent by _____.
