

Student Dress

Preserving a beneficial learning environment and assuring the safety and well-being of all students are primary concerns of the Board.

Students' choices in matters of dress should be made in consultation with their parents or guardian.

Student dress shall only be regulated when, in the judgment of school administrators there is a reasonable expectation that:

1. a health or safety hazard shall be presented by the student's dress or appearance, including possible membership in a gang or hate group;
2. damage to school property shall result from the student's dress or
3. a material or substantial disruption of the educational process will result from the student's dress or appearance.

For the purpose of this policy, a material and substantial disruption of the educational process may be found to exist when a student's conduct is inconsistent with any part of the educational mission of the District. Prohibited conduct includes the use of lewd, sexual, drug, tobacco or alcohol-related messages, gang-related apparel.

The uniforms of nationally recognized youth organizations and clothing worn in observance of a student's religion are not subject to this policy.

The Superintendent shall establish procedures providing guidance to students, parents and staff regarding appropriate student dress in school or while engaging in extracurricular activities. Such procedures shall ensure that any student wearing, carrying or displaying gang-related apparel or exhibiting behavior or gestures which symbolize gang membership or causing and/or participating in activities which intimidate or affect the attendance of another student shall be asked, with notice to his or her parents, to make appropriate corrections and be subject to discipline if the corrections are not taken.
