

Student Health

The Superintendent shall arrange each year for health services to be provided to all students. Such services shall include, but not be limited to:

- A. the maintenance of student health records,
- B. the development of procedures at each building for the isolation and temporary care of students who become ill during the school day,
- C. consulting services of a qualified specialist for staff, students and parents,
- D. vision and hearing screening,
- E. immunization records.
