

CPR / First Aid Certification

Below is the list of CPR and First Aid training for the current school year (2017-2018). As we approach each month, an email will go out announcing the classes. At that time, please respond back to ioanna.cossack@bremertonschools.org to register for a class. These classes are offered as a benefit to our employees.

Cost: \$26.00 for the set or \$15/each. If the District requires you to have these certifications, the classes are free to you every two years. Non-employees are welcome for only \$30.00/set or \$20/each. Red Cross Fees have increased dramatically to us over the last several years. As we are barely covering our cost for the course, books are no longer provided to students for free. If you would like to purchase a book, the cost is \$10.00. Please let the instructor know if you are interested in purchasing a book. All fees will be paid to the Business Office.
