

A new partnership between the Bremerton School District and Kitsap Regional Library paves the way for students to have access to their own Kitsap Regional Library Student Account.

Beginning April 15, your child can begin using their Bremerton School District Student ID for access to resources from any Kitsap Regional Library location, and online at KRL.org.

All students will have full Library access to a wide-range of educational resources, including:

- borrow books, music, movies, and more
- online homework help
- downloadables (eBooks, audiobooks and more)
- free classes and after school activities
- the Library's annual Summer Learning Program

Kitsap Regional Library Student Accounts can be used at the Library year-round, even when school is out for summer.

We hope to encourage students to dream more, learn more, do more, and be more with support from the Kitsap Regional Library.

# Ask questions.

## What are Kitsap Regional Library Student Accounts?

A Kitsap Regional Library Student Account is a library account that is accessed via their **Bremerton School District Student ID number**. The main idea behind this project is to provide a way for students to access library services with a number that is easy to remember.

## What resources will be accessible with these accounts?

Students will have full access to all Kitsap Regional Library resources including books, online homework help, online eBooks, encyclopedias and magazines.

## Do the Kitsap Regional Library Student Accounts replace traditional library cards?

No. If a student already has a traditional Kitsap Regional Library card, he/she can continue to use that card. This is just an additional account that can be used.

## What about Kitsap Regional Library fines and fees?

Kitsap Regional Library no longer charges daily fines for overdue items. Fees are only charged for lost or damaged items.

## Do these accounts have passwords?

Yes. As a default, students will use their **Bremerton School District Student ID number** as both password and account number on **KRL.org**. Passwords can be changed online at **<http://catalog.krl.org>** by clicking on **My Account**. If you need assistance, call the library at (360) 405-9100 for Sylvan Way or (360) 377-3955 for Downtown Bremerton.

## Do the Kitsap Regional Library Student Accounts expire?

Yes, accounts expire when the student leaves the Bremerton School District.

## Will these accounts work during the summer?

Yes, accounts provide access to the library all year round.

## Which schools are participating in this project?

All schools within Bremerton School District are participating.

## How do I start using my account?

Starting on April 15, all Bremerton School District students can access Kitsap Regional Library online at **KRL.org** or in any of our nine locations using their **Bremerton School District ID number**.

**Curious about something else? We'd love to hear from you.**
