Inspire more.

A new partnership between the Bremerton School District and Kitsap Regional Library paves the way for students to have access to their own Kitsap Regional Library Student Account.

Beginning April 15, your child can begin **using their Bremerton School District Student ID** for access to resources from any Kitsap Regional Library location, and online at KRL.org.

All students will have full Library access to a wide-range of educational resources, including:

- borrow books, music, movies, and more
- online homework help
- downloadables (eBooks, audiobooks and more)
- free classes and after school activities
- the Library's annual Summer Learning Program

Kitsap Regional Library Student Accounts can be used at the Library year-round, even when school is out for summer.

We hope to encourage students to **dream more, learn more, do more, and be more** with support from the Kitsap Regional Library.
