Chris Swanson, Career/College Counselor

May 28, 2021

Dear Parent and/or Guardian:

This summer the Bremerton School District will offer summer school both online and in person at Mt. View Middle School. Transportation may be available, and there is no cost to the families for school. This has been a very difficult year for our students, and we look forward to this opportunity to help them learn essential skills and earn credit towards graduation.

If your student has an incomplete in one or more classes, it can be resolved in summer school. The incompletes can be resolved through APEX and will start where the student left off in June. As soon as your student finishes their first incomplete they can begin their next class.

For our students that need to start and complete a new class, Bremerton High School is in partnership with Graduation Alliance, a program that supports graduation for our students in need. Graduation Alliance is a student friendly program that promotes course completion in as little as two weeks. This is a wonderful opportunity for students to gain the skills they need to successfully progress in their academic career.

Summer school will start on Monday, June 21 and will conclude in person learning on Thursday July 15. There will be an opportunity for students to continue online for an additional two weeks. School hours are 9:00AM-1:00PM, Monday through Thursday. If you are not sure of the classes your students need to enroll in, please contact their counselor.

Attached is the Summer School enrollment form. Please call 360-473-0818 if you have questions!
