Dear Armin Jahr families:

I am writing to you today to share that I will be serving students in a different way next school year. Starting in August, I will be Principal at Mountain View Middle School.

While this change will be a new challenge for me, I know that our students at Armin Jahr will continue to learn and grow due to the hard work of our school staff and families. I am also excited that in a few short months (5th graders) or years (Kinder-4th) I will again be supporting your child when they go to 6th grade at Mountain View Middle School.

This is an incredible time for our learning community at Armin Jahr to ensure that all students are learning at grade-level or higher. To support students and staff to accomplish this goal Julie Fairall, who is already a leader in our school district, will be Principal of Armin Jahr Elementary School beginning in August. Ms. Fairall has a lot of experience in Bremerton as a classroom teacher before becoming an instructional specialist, and supporting kids and families as the Multilingual Coordinator.

Additionally, MVMS Assistant Principal Mitchell Judie has accepted the position of assistant principal at Armin Jahr Elementary, effective in the fall of 2024. Mr. Judie joined the District in 2016 and taught math before being named dean of students/athletic coordinator at MVMS in 2021, and assistant principal in 2022.

And, due to the great support of our community in passing the school bond, Armin Jahr will be rebuilt as a brand-new modern building to ensure the best learning environment for our students. You and your children here at Armin Jahr have so much to look forward to in the next few years!

Thank you for all of your support, kindness and care over these past three years. It has been a pleasure to serve your child(ren), your family and our staff here at Armin Jahr.

Thanks!

Ralph Wisner  
Lead Learner and Principal
